The Concept is built upon Psychological Research

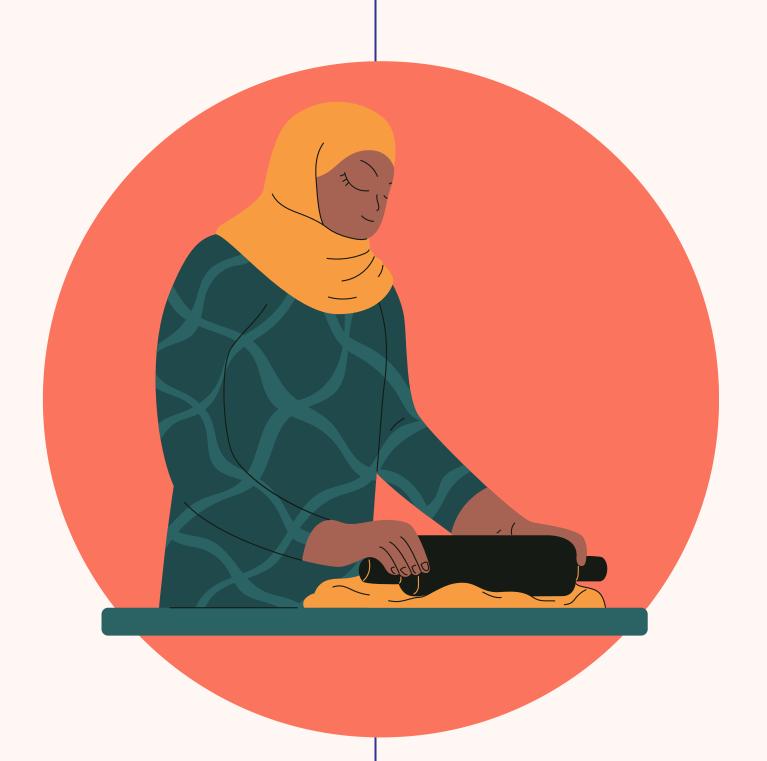

- Behavioural/Social Change
- Health BeliefModel
- Self-efficacy

MIENSKIP RESEPTEN

How does it work?

- Frisians send in their favorite, healthy recipes
- Distribute cards in stores
- Website & social media
- Local stores & other organizations work together

RECIPE CARD

- The Recipe
- Preparation and Cooking time
 Estimation
- Grocery List
- Overall Price Indication
- Picture of the Dish

Mediterrane salade

€€ bereidingstijd: 20 minuten

Benodigdheden:

4/5 limoenen honing 1 watermeloen feta

2 rode uien kalamáta olijven

Pers de limoenen, doe sap in bakje en breng op smaak met honing. Snij de rode ui in dunne ringen en doe ze in het mengsel. Een uur of 4 laten marineren.

Snij de watermeloen in niet te kleine blokjes. Feta en olijven toevoegen en voorzichtig mengen, zodat de meloen niet kapot gaat. Giet de limoenmarinade over de salade en leg de rode ui er bovenop.

MIENSKIP RESEPTEN

The goal:

- Sharing healthy recipes
- Building a healthy community
- Local & seasonal
- Support local farmers and stores
- Making a healthy meal the easy option for everyone!

PROMOTION

Everyone can join!
